

Hang Tag Parking Permits

Standard Hang Tag

Mini Hang Tag

Rounded Hang Tag

Giant Hang Tag

Schools, colleges, and universities distribute Hang Tag Parking Permits in the summer during registration. These durable plastic hang tags resist both hot and cold temperatures and will not yellow or crack. Choose from six different shapes and five materials printed in spot colors or 4-color process. To help combat counterfeiting and improve security, order these tags with foil stamping, reflective overlamine, consecutive numbering and barcoding.

Hang Tag Parking Permit Materials:

- .015" White Polyethylene
- .035" White Polyethylene
- .035" Recycled White Polyethylene
- .035" White Reflective
- .020" Deluxe Plastic
