Spot Color White Vinyl Ultra-Tac

Spot Color Clear Polyester Ultra-Tac

4CP White Vinyl Super-Tac

Whether you need spot color or full-color graphics, Super-Tac and Ultra-Tac Decals tackle challenging surfaces with confidence. Super-Tac features an aggressive adhesive designed for slightly rough or blemished surfaces like dumpsters, storage containers, and steel drums. Ultra-Tac offers even higher initial tack and a stronger bond for the most demanding applications, such as powder-coated surfaces and certain plastics. Ideal for construction, manufacturing, outdoor sports, and service industries, these decals deliver durability where it matters most.
